

Saint-Omer LFQN, France
11th & 12th September, 2010

9th Jodel Lovers Fly-in

The Saint-Omer flying club organizes this year the ninth edition of his Jodel Lovers Fly-In. This fly-in is not exclusive and all kind of planes are welcome, particularly homebuilt.

Participating pilots are invited for a meal on Sunday at lunchtime. The cost for the lunch is 15 €, payable on the day. For pilots coming from remote locations, a welcome comity will be provided from Saturday afternoon. Accommodation and meals rest at their own charge.

To help with the organization, pilots intending to participate are asked to register before September 5th, preferably via the on-line registration form. Food is assured only to duly registered crews.

Remark: The fly-in is not an "Airshow". Public are not admitted and the airfield remains open to traffic during the two days.
