10th & 11th September, 2011

10th Jodel Lovers Fly-in

The Saint-Omer flying club organizes this year the tenth edition of his Jodel Lovers Fly-In. This fly-in is not exclusive and all kind of planes are welcome, particularly homebuilt.

Participating pilots are invited for a meal on Saturday night and on Sunday at lunchtime. The cost for each lunch is 15 €, payable on the day.

To help with the organization, pilots intending to participate are asked to register before September 4th, preferably via the on-line registration form. Food is assured only to duly registered crews.

Remark: The fly-in is not an "Airshow". Public are not admitted and the airfield remains open to traffic during the two days.
